

ACTIVITY LIST: Learning to Present with Miss Gross

**Learning Goal: To learn different ways to present a final product.**

- ★ Please explore your options
- ★ If you have questions, please ask **at least two other students** before asking Miss Gross
- ★ You may hang on to this activity list for future projects as you may want to explore more than 2 when you have more time.

(I) - independent

(P) - partner

(G) - group

(RT) - resource table

Topic	Title/Description	
If you need some motivation:	Watch the <a href="#">"Ted Talk Exemplary" video</a> (I) or (P)	
Minecraft	Watch the <a href="#">example video</a> (I) or (P)	
Prezi	<b>Create your own Prezi</b> - Save your work as your first name and teacher's last name for our viewing later. For example: If you are in Mrs. Caro's class and your name is John. You would name the file <b>John Caro</b> . (I) or (P)	
Powtoon	<b>Create your own Powtoon</b> - Save your work as your first name and teacher's last name for our viewing later. For example: If you are in Mrs. Caro's class and your name is John. You would name the file <b>John Caro</b> . (I) or (P)	
Quicktime	<b>Create a screen recording</b> - Save it to your desktop for later teacher viewing if necessary. (I) or (P)	
	Optional	<b>Watch the tutorial video</b> - If you do not already know how to create a screen recording. (I) or (P)
	Choose 1	<b>Create a movie recording</b> - Save it to your desktop for later teacher viewing if necessary. (I) or (P)
<b>Create an audio recording</b> - Save it to your desktop for later teacher review if necessary. (I) or (P)		
Keynote	<p><b>Create a Keynote</b> - As you are creating your Keynote (found in your applications), be sure to explore with animations, font, templates, images and other tools. (I) or (P)</p> <p>Tip - Ask Miss Gross about a cool feature called Instant Alpha, or explore it on your own. You will need a picture or clip art for this tool.</p>	

ACTIVITY LIST: Learning to Present with Miss Gross

Your choice

**Begin on your own idea** - Be creative! Think of how you would like to present. [Here](#) are just a few ideas to get you started. The options are endless!

Note - If it requires the use of an app or website, run it by your teacher or Miss Gross for approval.
