What we are learning this month

Reading:

- Building read-to-self stamina
- Recognizing letters, sounds and power words
- Story elements
- IRLA power goals

Writing:

- Detailed picture, labeling pictures and simple sentences for students who are ready.
- Stretching out words
- Writing a fabulous sentence (capital at the beginning, spaces between words, and period at the end).

Math:

- Classify objects into given categories; count the number of objects in each category and sort the categories by count.
- Correctly name shapes regardless of their orientations or overall size.
- Identify shapes as two-dimensional (lying in a plane, "flat") or three-dimensional ("solid").
- Analyze and compare two- and three-dimensional shapes, in different sizes and orientations, using informal language to describe their similarities, differences, parts (e.g., number of sides and vertices/"corners") and other attributes (e.g., having sides of equal length).

Science:

- Exploring the world around us using our 5 senses

Social Studies:

- Community Helpers
- Describe different kinds of jobs that people do and the tools or equipment used.
