Week of 3/26/18

Name: \_\_\_\_\_

## CHOICE #1

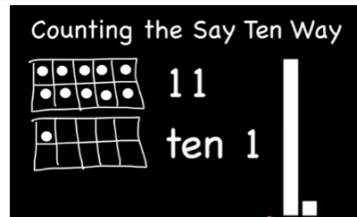

We are going to see many animals at the zoo this week. Think of a question you might like to ask a zookeeper about keeping animals healthy and happy.

## CHOICE #2

Read a fictional story about an animal. Can you name a characteristic that the animal in the story can do that a real animal cannot? Don't forget you can log into the Bookshelf app.

## CHOICE #3

Practice counting the "Say Ten Way". Stop the video after 20 for beginners.

## CHOICE #4

### Maps and Animals

Choose an animal that you saw at the zoo. Can you find where it would live in the wild?

## CHOICE #5 // WEEKEND

Help set the table and clean up after a meal.
