The First Ever Sanders Memorial Virtual Open House

The 2018-2019 school year is upon us and we made some changes to the structure of our yearly Open House. We will not be having a physical Open House (where you come to the school for 50 minutes 2 weeks after "Meet Your Teacher Day." Instead, we will have a Virtual Open House!

The Sanders Memorial Virtual Open House will:

- Accommodate our families with their busy schedules and allow them the freedom of viewing on their own or together as a family
- Have access to their child's 18-19 Sanders Memorial Virtual Open House information at any time on the [SMES](#) website for the remainder of the year.
- The Sanders Memorial Virtual Open House will aim to answer basic questions in regards to their child's teacher, the school policies/procedures, structure, curriculum and much more than you would have had time for during a 50-minute normal Open House.
- Provide families with a better sense of how Sanders Memorial Elementary will make learning engaging and come alive for our innovative students.
- Parents and students should come away feeling comfortable and excited about our unique model as they embark on problem-based, 21st century learning.
- Parents will be able to sign up for face-to-face/phone conferences if needed through email.

We hope that you enjoy our, "**First Ever Sanders Memorial Virtual Open House!**" The Open House, along with instructions, will be posted on our Website on or around **August 24, 2018**. We hope that this will give you the information that you are looking for about your child/children at Sanders Memorial Elementary. We cannot wait to start the 2018-2019 school year!

Thank you,
Jason Petry
