

Dear Families,

It's hard to believe, but the 100<sup>th</sup> day of school is fast approaching! On **January 24<sup>th</sup>**, we will be celebrating the 100<sup>th</sup> day of school. To make this day extra fun while celebrating being 100 days smarter, we will be participating in a special 100<sup>th</sup> day activity list. To help get the kiddos excited about celebrating all they have accomplished in the past 100 days, we would like to encourage them to participate in one of the following fun choices:

1. T-Shirt – create a t-shirt with 100 items on it of your choice.
2. Dress up as if you were 100 years old (suspenders, high socks, glasses, etc.)

Along with these fun activities, we will also be creating a 100<sup>th</sup> day trail mix. Please see your child's Class Story Dojo page to use the Sign Up Genius link to volunteer to send in needed items.

Thank you for your cooperation and support!

The First Grade Teachers
