First and Last Name: Trish Nissen

Mini Bio: Hey everyone! My name is Trish Nissen and this is my 4th year at Sanders! I love the people that I work with and they are all amazing at what they do. It truly is the best place to work and this year I have 3 generations here. Ms. Jessica Bauer (teacher) and Gracie (kindergarten)! I am married for over 37 years to Michael and we have 2 wonderful children, a son in law, 1 grandchild Gracie, and a furbaby! We lived in Pinellas County when the kids were young but later moved to Louisville, KY when they were in middle school. We loved the Midwest and have so many fond memories there but 4 years ago we all decided to move back and this time we landed in Pasco county.
